OBJECTIVE

Obtain a position in which I may be provided the opportunity to increase my knowledge of technology.

EDUCATION

Bachelor of Science | Wentworth Institute of Technology

2017 – PRESENT

Currently attending for Computer Networking

High School Diploma | Litchfield High School

2013 – 2017

Awarded TSA, LHS Players, and Principals 'Beyond the Walls' Award.

EXPERIENCE

Resident Assistant | Wentworth Institute of Technology

AUG 2018 – PRESENT

As a Resident Assistant, I am tasked with being an Administrator, Community Builder, and Resource for my peers, assisting them on their journey through higher education.

Senior Teacher | SummerTech Computer Camps

JUN 2018 – JUL 2018

As a Senior Teacher at SummerTech Computer Camps, I taught students Web Development utilizing the ReactJS framework, Computer Networking, and the basics of Web Design. I worked arduously with my peers to create both a fun and educational experience for our students, ensuring a strong understanding of concepts, and the student's ability to apply the skills learned.

IT Specialist | WISE Marketing LLC

MAR 2018 – PRESENT

In charge of system management, account transfers, DNS, mail relaying, updating websites, task automation, social media accounts, and platform integrations to automate the syncing of content, and to provide a streamlined interface for clients.

SKILLS

- Network Administration
- Computer Networking
- Computer Hardware
- Hardware Consultant
- Theatrical Production
- Broadcast Television
- Web Configuration
- Server Installation

VOLUNTEER WORK

Technical Coordinator | Litchfield Highschool Players

SEP 2013 – JUN 2017

As Technical Coordinator of the Litchfield Highschool Players, I maintained many aspects of the theatrical experience, including Lighting, Sound, and Projection.

Student Director | Town of Litchfield

AUG 2014 – JUN 2015

As the Student Director for the Board of Education, I had many responsibilities. Including, but not limited to Setting up / breaking down A/V equipment, Running TriCaster Video Editing Systems, Verifying and Scheduling Live Cablevision and Web-based Broadcasts, Organizing and publishing VOD Content.

Fly Crew | Warner Stage Company

JUL 2014 – AUG 2014

My duties in the production of Peter Pan at the Warner Theater included running safety checks, operating rigging equipment, and assisting in the coordination of flight for the duration of performances.

ACTIVITIES

I have devoted much of my time to the community at Litchfield Public Schools. I have held the role of Technical Coordinator for the LMS/LHS Players for over three years, assisted the Tech Department with system deployment and support, and acted as the Student Director for the Broadcast of Board of Education meetings to Cablevision. A complete list of volunteer work may be found on my website.
